# What was your one takeaway from your breakout sessions today?

0 4 2

IOGP Standards committee- depth and breath

More collaboration There is a lot going on that I wasn't aware of.

Education

Hygge Time

# Long way to go

New Information

The preparedness

help

process

Too short Interesting

Very good breaker after lunch learning lot

shared

completion

What's JIP all about

understand

implement

Transformation

Still not digital

before ready

survey implementing

New spec's coming

Use of JIP33 specifications

# Very well planned!

Transition from current to improved state

Interactive

Need to better and deeply involve suppliers

Signifikant Reconfiguration

## What are your reflections of yesterday?

0 4 6

(1/3)

- Valves
- Collaboration is the foundation for transformational change required for JIP33 - well on our way
- Good feedback from suppliers and EPC contractors in the room Wider stakeholder roll out will be future challenge
- Sign me in as an ambassador
- Great progress
- Great experience, a lot of useful informations
- Simple and straightforward
- Great achievements
- Need more awareness progs on JIP33 and its benefits
- IOGP has more to offer than I knew
- Great energy, yet quite a journey to drive implementation.
- Break-out sessions enable Good sharing and awareness by Q&A
- Still a road to go
- Great initiative. Long path forward
- Very useful wrt experience with JIP33 so far
- We are moving
- The devil is in the details....
